VALUABLE REAL ESTATE,

LOCATED IN AND ADJOINING THE TOWN OF WARRENTON, N. C.

FOR SALE.

The Warrenton Female College is now offered for sale, on reasonable terms. This College has been in successful operation, for over twelve years, and, during that time, it has earned a reputation as an Institution of learning, second to none in N. C.

The location is such as to warrant a full attendance of pupils, being very accessible from any point, especially the Eastern portions of N. C. and Va.

The Committee, who have been empowered to make sale of this property, deem it unnecessary to say more of this Institution as its character for a high grade of scholarship, and the elevated standard of morals inculcated, under the eye and supervision of its late President, E. E. Parham, is already well known.

The society in which this College is located is known to be equal to any in the South.

There is now a sufficiency of Buildings and other Conveniences attached to this Real Estate, to conduct a large and flourishing school. The premises contain about SIXTY ACRES of Land a material portion of which is within the *Corporation*. This, with *all* or a *part* of the furniture, &c., belonging to the same, can be purchased with the land and buildings. This property will be offered *privately* for sale until *Wednesday* the 3rd day October next, and, if not then sold, will be on that day sold, at public auction, to the highest bidder.

The Committee are fully authorized to sell, and would say that a rare chance is offered to any party wishing to purchase such property, as *time* sufficient, if required, will be given. Possession given *immediately*.

Any person or party wishing to examine the property will be shown it by, E. E Parham, the present occupant, or by any one or more of the Committee.

Saturday Evening, July 28, 1866.

FOR THE CONSTITUTION OF THE UNITED STATES, AS IT IS, AND THE UNION AS IT WAS.
NO FURTHER AMENDMENTS.

FOR GOVERNOR,
JONATHAN WORTH,
OF RANDOLPH.

Remember that the election for the ratification of the amended Constitution of North Carolina, will be held on the 2d., 3rd. and 4th of August next, throughout the State.

A Word of Warning.

The charge has been repeatedly made upon the people of North Carolina, that those citizens of the State, who participated in the rebellion, were persecuting "the old Union men for their Union principles." This charge has been denied, over and over again, and the proof has been challenged, but not a single tangible proof has been made. This charge has been reiterated, by whom? By those who are as deep in the mud of the "rebellion," as the accused are in its mire. The charge is made by the "so-called" Union men, who are the only "persecutors" in the State, that we wot of, of their fellow citizens for their former political opinions.

To our personal knowledge, men who were never secessionists, never believed in the doctrine nor supported it, are branded, day after day, as "secessionists," "traitors," and "disunionists," whose only fault was that they sympathized with their own people and the South, during the struggle, and since have accepted, in good faith, the terms of surrender, but have refused to eat more dirt than their share, or bow the knee to the Baal of "strait sect-ism," or the Moloch of Radicalism, and who prefer to support President Johnson and his policy. Moreover, men who conscientiously believed the doctrine of secession, and practised upon it, but who now quietly submit to the arbitrament of the sword, and have pledged their fidelity to the Government in future;—both of these classes of persons are the persecuted and the maligned, abused as "traitors" by men more deeply or equally involved with them in devotion to their political faith, for a time, but who abandoned their principles when danger came. These, we say, are the persecuted men of the State.

But the case is becoming more serious. Not only are our people charged with the persecution of Union men for their principles, but the fidelity of the Judiciary of the State is assailed and impugned by those occupying official positions, and their characters, as the judicial executors of the law, are reproached.

More than this: In order to make a showing of reason for this unfounded clamor, sundry petitions are being gotten up, through the agency of these maligners of the people and the judiciary, and sent on to Washington, representing that the signers are persecuted by the Courts and the people, *because* of their Union principles.

Now we do not believe one word of any or, all the charges made against the Judges or the people, or that any citizen, white or black, in this State, has been persecuted for his Union principles. We believe the whole thing is a fabrication, *gotten up for a purpose*. But we desire that the whole matter shall be properly investigated. If a single clear instance can be made to appear, that any one, however humble, has been made to suffer, personally or otherwise, "for his Union principles," we should insist upon it that any such persecutor shall be made to suffer the severest penalty of the law. Or, if it can be shown, that any Judge, or other officer, has neglected his duty, or become a party to the unlawful persecution of any one, *because of his Union principles*, we should urge at once his impeachment, or the prompt unfrocking of any officer guilty of so great a breach of the obligations of his office. BUT WE CHALLENGE the INVESTIGATION.

We are satisfied that no such case can be produced in this State.

What does all this mean? It is but another means of stabbing President Johnson under the fifth rib. The object is, to convince Congress and the North, that the President's policy is a failure. It is to break the force of the investigation into the affairs of the Freedmen's Bureau, by Gens. Steadman and Fullerton, and to keep up military control and agitation in the South, in order to afford a seeming justification for the conduct of the Radical Congress.

We call upon the press of the State to enquire into the facts of these alleged persecutions.—We call upon the Judiciary of the State, to look closely to this state of things, to vindicate their own characters and the reputation of the State,—to investigate carefully into these imputed cases of persecution. In fact, every citizen owes it to himself, to enquire into the facts. The fate of the State and the people depend upon it. Unless these charges are fully met and refuted, they will be used in justification of a purpose, formed in this State and others, to induce the government arbitrarily to dissolve the civil functions of the State, and restore the Provisional or military rule over us. To such a vile purpose, the *Standard* newspaper in this city, by its general tone, is lending all its influence.—There are aiders and abettors of this scheme, who will do their utmost to effect it, to gratify their personal and political spleen against our people and secure their own promotion. *Let the plot be ventilated and exposed!* If there are cases in which there is foundation for these charges, let them be brought out, and the guilty parties suffer, but let not the loyal people of the whole State bear the ignominy of the guilt or the curse of military rule!

WE ARE glad to learn that Bishop Early, of the M. E. Church, South, has nearly recovered from his late severe injury, and, having returned to his home in Lynchburg, is able to get about.

Military Civilians.

One of the greatest evils attending the working of governments, National or State, in which military authority is allowed part and voice, however incidental, is to be found in the fact that the power of the latter is almost necessarily delegated to men who, outside the strict line of their profession, hardly know "a hawk from a hand-saw." They may be men well versed in the science of war, men of approved gallantry, and all that sort of thing, but when they are permitted to interpose, or *arrogate to themselves* the right of interfering, in the administration of *civil* affairs, they are apt to exhibit incompetency or imbecility. They may know how "to set a squadron in the field;" but, in attempting to construe statutes or expound Constitutions, they go, generally, as far beyond their depth, as the boy, who, familiar with the little creeks of his neighborhood, thinks he can wade the ocean. And it is not rare to see just such men, thus incapacitated by profession, education and character for civic pursuits or legal discriminations, assuming, with an amusing air of self-confidence, all the airs, and usurping the legitimate province, of the profoundest jurist or publicist.

It is bad enough, we say, that such inexpert interferences should, at any time, be considered necessary, or, when not necessary, should be tolerated; but when those who exercise them are governed by a bitter and vindictive feeling towards the people over whom they may be placed, unhappy is that people, thus ridden by the military satrap. Under the influence of such feelings, Major General Thomas would have "run the churches" in Alabama, and would have employed military force, in Tennessee, to compel the attendance of members of a State Legislature! But Gen. Thomas is but the representative of a class. There are hundreds of others, throughout the South, of less prominence, who are engaged in the same sort of work,—men who, clothed with a little brief authority,

—"Play such fantastic tricks
Before high Heaven, as make
The Angels weep."

These general remarks have been immediately induced by a recent case in Newbern, where a subordinate of the Freedmen's Bureau, in a communication to the Mayor of that City, presumes to impugn the good faith of the Convention in repealing the provisos to the 11th. section of the act "concerning negroes and persons of color," and to question the integrity and honesty of the State Executive and Judiciary. *He* thinks that the trial of causes, in which blacks are interested, one way or the other, by the civil courts, will be a farce and mockery in the future, "as it has been in the past." Another Daniel come to judgment! Or, rather, another instance of petty insolence, that deserves prompt rebuke at the hands of those in superior authority to this conceited tyro in shoulder-straps!

LEAVING THE RADICAL SHIP.—F. A. Macartney, some time since leading editor of the Washington *Chronicle*, under Forney, publishes in the *National Intelligencer* what the latter says "is one of the most convincing arguments that we have seen from a Republican source in support of the President and against the envenomed hostility of the selfish and bitter partisan cabal." The *Intelligencer* adds, in reference to Mr. Macartney: "In the profession he is regarded as one of its very highest ornaments. As a man, his sincerity, conscientiousness, honor and integrity endear him to a host of friends. His name is but one more to the long list of the superior writers and thinkers of the land that abjure Radical destruction."

We make the following extract from Mr. Macartney's letter:

"For myself, I am not only willing, but anxious, to forget that we ever used the words rebel or traitor. I know that the South was under a delusion. They fought against a chimera. At heart they were as loyal to the fundamental principles of the Government as myself. I am perfectly willing to meet them on a common platform, to renew our fealty to the Union of our fathers; and as the soldiers of Grant and Lee, inspired by a feeling of nationality, shook hands and forgot that they ever were in deadly array, so I trust that the men of the North and South, gathering within the sacred precincts of Independence Hall, will seek, as their fathers before, by moderation of speech and unanimity of counsel, to renew the foundations of our national prosperity, and make the united Republic the pride and boast of every true-hearted American."

"To the Junior of the *Sentinel*, we recommend "Mrs. Winslow's Soothing Syrup for Children." This Syrup has a composing as well as soothing influence, and will enable him, not only to stand the sight of, but on the next occasion, to walk without wavering under the Union Flag."—*Standard*.

Wonder if the same popular specific, taken in large doses, would'nt "soothe and compose" the *pheelinks* of a disappointed aspirant for San Salvadorean honors!

OUR ATTENTION has been called to the fact that, several days since, we stated that Brownlow's telegram, announcing the alleged adoption of the Constitutional amendment by the bogus Tennessee Legislature, and containing a dirty allusion to the President, was addressed to Senator Sumner, by whom it was given to the public. This is a mistake. The telegram was sent to Forney. We would not do even Mr. Sumner injustice.

Ex-Gov. JOHNSON, of Georgia, was confirmed by the Senate, on the 23rd. inst., as Minister to Venezuela. So says a telegraphic despatch, of the 24th., from Washington.

A riot between whites and negroes, occasioned by a railroad conductor attempting to cut a button off a negro's coat, occurred at Columbus, Ky., on Saturday.

Washington Hunt, James Brooks and Fernando Wood are among the delegates elect from New York to the Philadelphia Convention.

UNDERWOOD & Co.—The New York *News* naturally enquires whether the negroes are to be represented in the Convention of Southern loyalists called by Underwood, Wardwell, Botts, &c.

[Certainly—these persons have no other constituents.—*Ed.*]

Second Congressional District.

The Convention for this District, which assembled on the 25th., was well attended. Maj. J. A. Engelhard, of New Hanover, presided; Dr. Sam'l. Leffers, of Carteret, and J. P. Speight, of Greene, were Vice Presidents; and S. D. Pool, of Wayne, and Jno. W. Dunham, of Wilson, acted as Secretaries. We have already announced the selection of the Hon. M. E. Manly and Wm. A. Wright, Esq., as the delegates to the Philadelphia Convention, and the recommendation of Judge Howard as one of the delegates for the State at large. The following are the resolutions adopted on the occasion:

WHEREAS, The people of the South, with great unanimity in the year 1861, appealed to arms in defence of what they honestly believed to be their constitutional rights; and whereas, after a struggle of four years of unparalleled bravery, their appeal was unsuccessful, owing to the great preponderance of numbers and resources brought against them; and whereas, they have submitted in good faith to the stern decree of battle, and have yielded all that an honorable foe should have exacted, and all that they can yield without a sacrifice of manhood; and whereas, the dominant majority of Congress still impose new exactions, insist upon other conditions, *precedent* to a restoration of civil rights; levy taxes without representation; turning a deaf ear to all remonstrances; and whereas, there have been found a few noble spirits at the North, in Congress and elsewhere, who denounce the acts and usurpations of radicalism, and who support the President of the United States in his efforts to thwart the machinations of the Stevenses and Sumners; and whereas, these friends of constitutional liberty and of the South, these supporters of the policy of Andrew Johnson, have issued a call for a National Union Convention to assemble in Philadelphia, on the 14th of August next, and have invited the people of the South to participate in the deliberations of that Convention, in the person of delegates, chosen from each Congressional District of the Southern States at large, therefore,

Resolved, That we, the people of the 2nd. Congressional District of North Carolina, in Convention assembled, at Goldsboro', on the 25th. of July, 1866, duly appreciating the invitation extended, approve the assembling of the National Union Convention aforesaid, believing, in the language of the address of the forty-one conservative members of Congress, that it convenes "to preserve the National Union; to vindicate the sufficiency of our admirable Constitution; to guard the States from covert attempts to deprive them of their true position in the Union; and for those great national purposes only;" and further believing it calculated to strengthen the President of the United States against the radical majority in Congress, the sworn enemies of restoration and of the rights of the South, will send thereto two delegates, representative men of this District.

Public Meeting in Greene.

According to previous notice, a well represented meeting of the citizens of Greene County convened at the Court House, on Saturday, the 23rd of July.

When, on motion of B. F. Albriton, Capt. Wm. Taylor was called to the chair and Josiah Sugg requested to act as Secretary.

The Chairman proceeded to explain the object of the meeting in a few brief and eloquent remarks.

On motion of D. A. Sugg, the Chair proceeded to appoint D. A. Sugg, J. P. Speight, O. W. Jones, N. E. Best and Dr. J. Harvey as a Committee to draft resolutions expressive of the sense of the meeting.

Whereupon, the Committee retired and soon returned, reporting the following resolutions:

WHEREAS, It has been proposed to hold a National Union Convention in the City of Philadelphia on the 14th of August next, for the purpose of concentrating and uniting the various conservative elements of our common country in support of President Johnson in his efforts to restore our once happy Union, in its primitive purity and blessings, to all of its citizens, and to preserve that sound principle of popular Republican government, that the people have the right to manage their own sectional regulations to suit themselves, subservient only to their Constitutional prohibitions;

Resolved, That we hereby tender our thanks to President Johnson for his untiring efforts to restore our distracted country, and to vouchsafe to us that participation in the Legislation of the country, that our voice may be heard in the enactment of such laws as may be passed for our government.

Resolved, That we tender our thanks to his Excellency, Jonathan Worth, for the zeal and ability which he has displayed in restoring our beloved State to her original position in the Union, and for his efforts to secure a general amnesty to all of her citizens.

Resolved, That we approve the suggestion to hold a District Convention at Goldsboro', on the 25th day of July, for the purpose of appointing delegates to represent this Congressional District in the National Union Convention at Philadelphia, and that the Chairman of this meeting appoint seven delegates to represent this County in said District Convention.

The resolutions were unanimously adopted.

The Chair then proceeded to appoint the following gentlemen as delegates, viz:

Dr. John Harvey, J. P. Speight, Thos. H. Sugg, B. S. Hardy, Jerry Fields, Dr. F. M. Rountree, and Wm. H. Edmundson.

On motion of J. E. Exum, the Chairman and Secretary were added to the delegates.

On motion, the Raleigh *Sentinel* was requested to publish the proceedings of this meeting.

W. B. TAYLOR, *Chairman*.
JOSIAH SUGG, *Secretary*.

Public Meeting in Northampton.

At a meeting of the citizens of Northampton county, held at Garysburg, N. C., on this, 25th. day of July, to appoint delegates to the District Convention, to be held at Edenton, on the 1st. day of August next, John M. Moody was appointed Chairman, and W. Talbot Walke Secretary.

The chairman explained the object of the meeting, and urged the necessity of harmony throughout the county in selecting such men as representatives as would carry out the objects of the National Union Convention, to be held in Philadelphia on the 14th. August, prox.

On motion of Gen. T. J. Person, a Committee of five were appointed to draft suitable resolutions as expressive of the sense of this assembly, viz: Messrs. T. J. Person, Jas. Stephenson, J. W. Squire, H. Harding and W. M. Crocker.

After consultation, the Committee reported, through their Chairman, the following preamble and resolutions:

WHEREAS, many National Conservative men at the North have called a Convention of the friends of President Johnson and his reconstruction policy, to be held in Philadelphia, on the 14th. of August next, and have invited delegates from every portion of the country to meet them in common counsel, to consult for the welfare of the nation and adopt suitable measures for arresting the wicked and mischievous plans of the fanatical Radical Party and restore the Southern States to the Federal Union, upon the basis and principles of the Constitution; *therefore*,

Resolved, That we, a portion of the people of Northampton, in primary meeting assembled, do heartily support the said Convention, and will use all honorable means to promote its cause and advance its cherished object.

Resolved, That whilst we fully understand our unfortunate and defenceless situation, we will nevertheless do no act compromising our honor and dignity, as citizens of North Carolina, but trusting rather to a returning sense of justice among our enemies and the propitiousness of Heaven, to remove the evils which are now so heavily oppressing us.

Resolved, That we are opposed to each and every amendment to the Constitution made by the Radical party in Congress.

Resolved, That we are opposed to taxation without representation.

Resolved, That we desire to resume our former position in the Union, provided we can do so upon equal rights and privileges with the people of the North, and upon the Constitution, as our fathers made it.

Resolved, That the Chairman of this meeting appoint sixteen delegates to the District Convention to be held at Edenton, on the 1st. August next.

Gen. Person explained, in forcible language, the object of the Philadelphia Convention, urging the necessity of representation in that body.

The preamble and resolutions were then voted upon separately, and passed unanimously.

In accordance with the sixth resolution, the Chair appointed the following delegates, viz: T. J. Person, J. G. Holladay, E. A. Martin, S. T. Stancell, T. G. Tucker, J. G. Odom, Wm. Boone, W. T. Walke, Dr. R. J. Grammer, W. W. Peebles, W. J. Rogers, Dr. J. C. Jacobs, Dr. J. N. Ramsay, R. J. Hamlin, W. R. T. Wilhams, Junius Deberry.

The Chairman was added to the list.

The proceedings of this meeting were, upon motion, directed to be forwarded to the *Raleigh Sentinel* and Weldon *State*, for publication.

On motion, the meeting adjourned.

J. M. MOODY, Chairman.
W. TALBOT WALKE, Sect'y.

DELEGATES TO THE NATIONAL CONVENTION FROM VERMONT.—The Democratic State Committee met at Burlington Vt., on Wednesday, every member being present. Hon. T. P. Redfield, of Montpelier, Hon. Henry Keys, of Newburg, Edward J. Phelps, Esq., of Burlington, and Hon. Giles Harrington, of Albaagh, were appointed delegates to the Philadelphia Convention, with Hiram Atkins, of Montpelier, Henry Chase, of Lyndon, Bradley B. Smalley, of Burlington, and Edward F. Perkins, of St. Albans, as alternates.

Mr. Raymond, by his political eccentricities, is drawing the fire of all sides. The New York *World* has been studying him to see "whether or not tergiversation has its law," but gives it up. A Radical leader styles him not inaptly a political *boomerang*,—seeing there is no knowing whither he flies or where he will hit.

THE TEST OATH.—The Washington *Republican*, the organ of the Administration, has the following in respect to the test oath, which is said to reflect precisely the views of the President, as we have no doubt it does:

"But we have doubts of the propriety (of the test oath) now that the necessity which called for it is passed. And our doubts are greatly strengthened by evidences that it is being used in some instances to the prejudice of the public service. Second, third, and even fourth-rate men in the Southern States are frequently entrusted with important public duties merely because first-rate men in the same localities, although equally loyal to the government, cannot take this oath. The anti-reconciliationists roll it as a sweet morsel of vengeance under their tongues upon the late insurrectionists, merely, as one of their number said in a recent speech, let them know that 'there is a punishment after death.' It suits precisely that class of bigots whom we find in most of our churches now-a-days, who are as busily employed in expelling members from the church as the clergyman is in getting them in—Christians of the Deacon Sniffles species, who devoutly prayed for the salvation of 'me and my wife, my son John and his wife—we four and no more.' But it smacks too much of hide-bound proscription of our fellow-men, merely because they have, at a former period, been guilty of wrong-doing, to suit the spirit of the age in time of peace."

It will be interesting to a large number of ex-officers of the army to know that Congress has finally passed the act giving three months' extra pay proper to all volunteer officers below the rank of brigadier general who were in the military service March 3, 1865, and were discharged after April 9 of the same year.

The Hon. Thomas Ewing, of Ohio, is mentioned in connection with the Presidency of the Philadelphia Convention.

GENERAL EWELL.—The Charlestown *Spirit of Jefferson*, of Tuesday, says: Lieutenant General R. S. Ewell, of the late Confederate army, with his family, passed through our town on Saturday, en route to Capon Springs. The old veteran begins to show the ravages of time, and his health is very feeble.

Michigan will be represented in the Philadelphia Convention, and a movement is already set on foot to select delegates from each Congressional district.

The humiliating confession is at last made by leading politicians of the country that the Radical party will be overthrown if the President shall remove any considerable number of office-holders.

See announcement of Trustees' sale of valuable machinery, tools, &c., of the "Central Iron Works," Norfolk, Va.

B. P. Williamson & Co. make an important announcement to cotton planters, and others.

THE CONCERT last night was an ovation.—The Ladies of the Memorial Association, and, especially, the indefatigable Lady President, Mrs. Branch, have reason to congratulate themselves upon their great success. We have rarely seen assembled together, upon any occasion in this community, a more numerous, brilliant, and, we may add, a more delighted audience. The selections were in good taste, and the performance, on the part of the amateurs, admirable, without exception; while the superb execution of Mr. Wheat on the Piano was such as to stamp him unmistakably an artist of the rarest order of musical genius. In dash of style, as well as delicacy of touch, in expression, in skilful execution of the most intricate and elaborate parts, and in his complete mastery over the instrument, he deserves to rank with the first pianists of the day. We are pleased to learn that the Concert will be repeated on Monday evening next, for Mr. Wheat's benefit, and we hope that our citizens will show their appreciation of native talent by giving him a crowded house.

WE OWE a public acknowledgment to Mr. Overton, agent of the Associated Press, for the satisfactory nature of the telegrams now furnished by that gentleman.

ST. MARY'S—This popular school opens well this session. The probability is, that, in a few days, the institution will be full. Rev. Dr. Smedes is as indefatigable and devoted to the institution as when at first he opened it. No class of men in the State deserve higher consideration than those who claim to be the educators of our men and women. Success to them.

EXCHANGE HOTEL.—Mr Blair, who will open this excellent Hotel in a few days, is now thoroughly renovating it and furnishing it most substantially and elegantly. His dining room, in elegant fixtures and supplies, will not be excelled by any Hotel in the country. The sleeping apartments are put in the best order.

YARBOROUGH HOUSE.—This popular House is again under the proprietorship of Maj. J. H. Hope.

REV. N. F. REID, D. D., of the Raleigh District, holds his Quarterly Meeting at Holland's Church in this County, to-day and to-morrow.

THE SABBATH SCHOOL at Bethel (Baptist) Church, in this County, enjoyed a pic-nic to-day. Many went from the city.

I. O. O. F.—The Grand Lodge of Odd Fellows has been in session at Greensboro. Deputy G. M. Edwards, of Lincolnton, presides. The *Patriot* mentions the following new officers as having been elected, viz:

Past Grand, Levi M. Scott, M. W. P. Master.
Past Grand, John Wilson, Deputy Grand Master.
Past Grand, C. L. Parker, Grand Warden.
Past Grand, Jas. L. Gulick, Grand Secretary.
Past Grand Master, John Sloan, Grand Treasurer.
Col. W. J. Hoke, of Lincolnton, has been elected Grand Representative to the Grand Lodge of the United States for the next two years from this State.

LOUISBURG FEMALE COLLEGE.—We are glad to learn that this institution has opened its second session with flattering prospects. President Jones, we learn, has nearly as many students as can be accommodated in the College.

WE OBSERVE that Rev. A. A. Watson, Rector of St. James' Church, Wilmington, has been on a tour of visitation among the Episcopal Churches in the Eastern Counties. This is a good idea and a good example for the Episcopal clergy, especially during the absence of Bishop Atkinson. By the way, Mr. Watson's name has been mentioned, we believe, in connection with the Assistant Bishopric of the Diocese, in the event that one should be determined upon.

BALTIMORE DIVINES IN LONDON.—St. Peter's Protestant Episcopal Church of this city is at present well represented in the British metropolis. The former Rector, the Right Rev. Bishop Atkinson, of North Carolina, the Rev. Dr. Cummings, Bishop elect of Kentucky, and the present Rector, the Rev. Mr. Grammer, were all in London at the latest dates.—*Sun, 20th.*

[It will be a source of great gratification to the friends of Bishop Atkinson, in this State, to learn that he writes from London, under date of July 5th., in good spirits and improved health.]

GOLD.—The New York *World* states that a combination of capitalists in New York have bought $6,000,000 in gold, and intend to buy more, in order to run up the price when there is a favorable opportunity. These combinations are frequently made, but they fail in their object quite as often as they succeed. Gold speculating, like any other kind of venture, frequently ends in breaking those who indulge in it.

From the Richmond Whig.

An Inquisitorial Search and its Results.

This city is the Capital of the State of Virginia, and was the Capital of the late Confederate Government. It numbers among its population men of every school of politics, soldiers of both armies, negroes from the North and negroes from the South, Southern Union men, so-called, and Northern men. The number of troops stationed here for some months past has been inconsiderable. The negroes here have schools, various societies and even military companies (which, by the way, ought to be prohibited by the proper authority.) Its people signalized their devotion to the lost cause by sacrifices and sufferings, equalling if not surpassing those incurred by any others in the South. Fifteen months have passed by since the city was evacuated by the Confederate troops, taken possession of by the Federal troops and held as a military post. Within these fifteen months there has been no effort or wish to resist Federal authority—none to molest men of any nativity, politics, or color. The soldiers go about when off duty as if they were at home, day and night, pursuing their business or pleasure. Negroes, and there is a cloud of them, swarm in every part of the town. They crowd the thoroughfares and frequent all the most public places. They have, much to the annoyance of our citizens, been permitted to take possession of the Capitol square, and on Sunday some of our handsomest streets are entirely appropriated by them. The so-called Southern Union men have their families and property here, and talk, write and act with as much freedom as we do. As much—we should say—infinitely more. All these men are just as free, just as safe and have just as many privileges as they would have if they were in Boston or Philadelphia, or as if this whole community were composed of Radicals.

As it is in the city of Richmond, so is it in the State of Virginia and in the Southern States generally. Life and property, whether of Southern Union men, so called, negroes or others, are this day safer in the South than they are in the North. For fifteen months the whole Southern country has undergone a most searching scrutiny at the hands of the military, police, officers and agents of the Freedmen's Bureau, and the whole army of school marms, New England preachers, letter-writers, and Radical emissaries of all sorts. Their business, and to them it was a labor of love, has been to search out and expose the crimes, misdeeds and ommissions of the Southern people. This search has been prosecuted with inquisitorial rigor and industry. The result is that in these fifteen months, including in the number of offences alleged to have been committed all the false accusations made, not as many offences, we believe, have been discovered in the South as are committed at the North in one month. So seldom indeed is one "atrocious crime" against Federal soldiers, Union men, so called, and negroes discovered, that when it is, it is paraded as a sort of Union victory, and celebrated with all the pomp and joy of a golden wedding. These people are absolutely glad when they can ferret out such a crime, and equally disappointed when their search proves unsuccessful. For our generous conduct towards the negroes, for our hourly charities and benefactions to them, and for our exemplary obedience to the authorities placed over us, we receive no credit. On the contrary they are all ignored, while the crimes of bad men or woman (and there are bad men and women everywhere) are charged upon the whole South, and we are, besides, falsely accused of a thousand things that have no existence.

All this is done by Radical influence to justify their policy of Southern exclusion. Of all the frauds ever practiced by a political party in any country, this Radical fraud is the greatest. Not only have they systematically traduced and calumniated our people, but they have endeavored to goad them into resistance by insult and oppression, in order to make proof to sustain their falsehoods. After perpetrating all these big and little infamies they affect great surprise because we do not love them. Is it not wonderful!

Freedmen's Affairs in Arkansas.

Major General O. O. Howard has received from Brevet Major General J. W. Sprague, Assistant Commissioner of the Freedmen's Bureau for the States of Missouri and Arkansas and the Indian Territory, a report of the operations of the Bureau in his district for the quarter ending June 30, 1866. He represents that great destitution and suffering still continue in the State of Arkansas among the class known as refugees, most of whom have made strenuous exertions to improve their condition, but large numbers of widows and orphans are still helpless, and appeal to the charitable for help. It became necessary to furnish food to this class, and to them mainly have the Government rations been issued. The wheat crop of the State is a failure, and though this failure is commercially unimportant, it is very important to the poor families who are suffering for the actual necessaries of life.

A FEDERAL GENERAL ON THE SOUTHERN FEELING.—General Gordon Granger arrived in Washington on Monday, having just completed a trip on official business though some of the Southern States. He gives an account of the feeling and temper of the Southern people, who in general he found well disposed toward the Government, and ready, if they shall be permitted, to give substantial proof of their loyalty and devotion to the Constitution and Union of the States.

Professor Angell has been elected President of the University of Vermont.

We fear that even an *Angel* can do but little good up there.

GOOD HUMOR—Is the clear blue sky of the soul, on which every star of talent will shine more clearly, and the sun of genius encounter no vapor in his passage. It is the most exquisite beauty of a fine face; a redeeming grace in a homely one. It is like the green in a landscape, harmonizing in every color, mellowing the light, and softening the hues of the dark; or like the flute in a full concert of instruments, a sound not at first discovered by the breaks in the concert with its deep melody.

"Husband, I hope you have no objection to my being weighed?"

"Certainly not, my dear; but why do you ask that question?"

"Only to see, love, if you would let me have my own weigh once."

A provost marshal writes: One of the provost guard brought a colored man into the office, charged with stealing water melons. As he was being led away I said to him: "I hope, Tom, that I may never see you here again."

He turned to me with a peculiar, shrewd expression, and said:

"You wouldn't ha' seen me dis time, cap'n, if de sogers hadn't a fotch me."

Our Saturday Morning Despatches.

Resignation of Secretary Harlan.

WASHINGTON, July 28, P. M.

Secretary Harlan, this afternoon, in a brief but courteous note to the President, resigned the office of Secretary of the Interior.

Congress—Important Proceedings—Case of Mr. Davis, &c.

WASHINGTON, July 28, P. M.

SENATE.—The Senate passed the bill for the admission of Nebraska. Also, a joint resolution so modifying the test-oath as to permit Senator Patterson, of Tennessee, to take his seat. This requires the concurrence of the House.

HOUSE.—The House disagreed to the Senate amendment to the civil appropriation bill, appropriating $1,500,000 for repairing the Mississippi levees. Also, by a large majority, voted down the proposition to increase the salaries of members of Congress from three to five thousand dollars.

The House Judiciary Committee made a report relative to the alleged complicity of Jefferson Davis in the assassination of Lincoln, wherein they state:

"It is notorious that said Davis was guilty of the crime of treason, according to the Constitution and laws of the United States, and the Committee are of opinion that there are no obstacles in the way of his speedy and impartial trial, which can be removed by legislation. The evidence in possession of the Committee, connecting Jefferson Davis with the assassination, justifies the committee in saying that there is *probable* cause to *believe* that he was privy to the measures which led to the commission of the deed, but the investigatons which have been made by the War Department, and by the Committee, have not resulted in placing the Government in possession of all the facts in the case. It is probable, however, that the further prosecution of the investigation will result finally in full development of the whole transaction. The capture of the rebel archives has put the government in possession of a mass of letters, papers and documents, of various kinds, only a portion of which have been as yet examined."

WASHINGTON, July 28, M.

The Senate has confirmed O. H. Browning as Secretary of the Interior, in place of Harlan.

Both Houses remained in session all of last night.

In the House, this morning, Stevens made a speech on his late bill to restore the States to their proper relations in the Union, in which he advocated his old doctrine of negro equality, and the policy of giving negroes all the privileges of whites.

The Civil and Miscellaneous appropriation bill, after a long struggle in the Conference committee, was concurred in by the two Houses by a close vote. It increases the pay of members and has appended to it the bill equalizing bounties.

Senator Patterson was admitted to his seat this morning, by taking the prescribed oath of office,—the House last night, by a large majority, having refused to modify the oath in his favor.

The bill for the admission of Nebraska was passed by the House, and goes to the President for approval.

The Counsel of Women.

Dr. Boardman, in his admirable work, "Hints on Domestic Happiness," inculcates this doctrine, which we cordially endorse:

"In a conversation I once held with an eminent minister of our church, he made this fine observation: 'We will say nothing of the manner in which that sex usually conduct an argument; but the *intuitive judgments of women* are often more to be relied upon than the conclusions which we reach by an elaborate process of reasoning.' No man that has an intelligent wife, or who is accustomed to the society of educated women, will dispute this.

"Times without number you must have known them decide questions on the instant, and with unerring accuracy, which you had been poring over for hours, perhaps, with no other result than to find yourself getting deeper and deeper into the tangled maze of doubts and difficulties. It were hardly generous to allege that they achieve these feats less by reasoning than by a sort of sagacity which approximates to the sure instinct of the animal races; and yet there seems to be some ground for the remark of a witty French writer, that, when a man has toiled step by step up a flight of stairs, he will be sure to find a woman at the top; but she will not be able to *tell how she got there.*

"How she got there, however, is of little moment. If the conclusions a woman has reached are sound, that is all that concerns us. And that they are very apt to be sound on the practical matters of domestic and secular life, nothing but prejudice or self-conceit can prevent us from acknowledging. The inference, therefore, is unavoidable, that the man who thinks it beneath his dignity to take counsel with an intelligent wife stands in his own light, and betrays that lack of judgment which he tacitly attributes to her."

General Beauregard was offered command of the Roumanian army, but refused.

The Mobile *Tribune* calls Sumner a diluted Emmerson. That is weaker than water.

Neal Dow is in Glasgow.—*Ex.*

No Family at the South Should be Without Them.

The late Col John Wright, of Goldsboro', N. C. Aug. 14, 1862, says: "I have used the SOUTHERN HEPATIC PILLS in my family here, and also on my plantation in Alabama, and *always with success.* I have a valuable servant girl who had been a long time under treatment for consumption without receiving any benefit. Almost in her extremity I was induced to try the *Hepatic Pills.* They were given *according to directions,* and she is now well, *entirely restored by them.* A similar case occurred among my servants in Alabama. For liver and lung diseases *I have perfect confidence in them.*

A NEW AND GRAND EPOCH IN MEDICINE!

DR. MAGGIEL is the founder of a new Medical System! The quantitarians, whose vast internal doses enfeeble the stomach and paralyze the bowels, must give precedence to the man who restores health and appetite, with from one to two of his extraordinary Pills, and cures the most virulent sores with a box or so of his wonderful and all healing Salve. These two great specifics of the Doctor are fast superseding all the stereotyped nostrums of the day. Extraordinary cures by Maggiel's Pills and Salve have opened the eyes of the public to the inefficiency of the (so called) remedies of others, and upon which people have so long blindly depended. Maggiel's Pills are not of the class that are swallowed by the dozen, and of which every box fail taken creates an absolute necessity for another. One or two of Maggiel's Pills suffices to place the bowels in perfect order, tone the stomach, create an appetite, and render the spirits light and buoyant! There is no griping, and no reaction in the form of constipation. If the liver is affected, its functions are restored; and if the nervous system is feeble it is invigorated. This last quality makes the medicines very desirable for the wants of delicate females. Ulcerous and eruptive diseases are literally extinguished by the disenfectant power of Maggiel's Salve. In fact, it is here announced that **Maggiel's Bilious, Dyspeptic and Diarrhea Pills** cure where all others fail. While for Burns, Scalds, Chilblains, Cuts and all abrasions of the skin **Maggiel's Salve** is infallible. Sold by J. MAGGIEL, 43 Fulton Street, New York, and all Druggists, at 25 cts. per box. Sold by all Druggists in Raleigh.

A BOON TO THE SICK AND THE LIGHT OF THE WORLD.

DR. MAGGIEL'S PILLS AND SALVE.

These Life-giving remedies are now given publicly to the world. For over a quarter of a century of private practice the ingredients in these

LIFE-GIVING PILLS!

Have been used with the greatest success. Their mission is not only to prevent disease, but to cure. They search out the various maladies by which the patient is suffering and re-invigorate the failing system. To the aged and infirm a few doses of these valuable PILLS will prove to be

A VERY FOUNTAIN OF YOUTH,

For in every case they add new life and vitality, and restore the waning energies to their pristine state.—To the young and middle-aged, they will prove most invaluable, as a ready, specific and sterling medicine. Here is a dream realized, that Ponce de Leon sought for three hundred years ago, and never found. He looked for a fountain that would restore the old to vigor and make youth over.

An Eternal Spring!

It was left for this day and hour to realize the dream, and show in one glorious fact, that magic that made it fair.

THESE FAMOUS REMEDIES

Cannot stay the flight of years, but they can force back and hold aloof, diseases that might triumph over the aged and the young. Let none hesitate then, but seize the favorable opportunity the offers. When taken as prescribed—

FOR BILLIOUS DISORDERS

Nothing can be more productive of cure than these Pills. Their almost magic influence is felt at once; and the usual concomitants of this most distressing disease are removed. These remedies are made from the purest

VEGETABLE COMPOUNDS.

They will not harm the most delicate female, and can be given with good effect in prescribed dose to the youngest babe.

FOR CUTANEOUS DISORDERS

And all eruptions of the skin, the SALVE is most in valuable. It does not heal externally alone, but penetrates with the most searching effects to the very root of the evil!

THESE famous remedies, known throughout the great West of the United States for their extraordinary cures of

CHILLS, FEVER AND AGUE

are now thoroughly introduced in the State of North Carolina, and can be obtained of all enterprising, first class druggists.
They act as a tonic to all debilitated systems, taken in doses of

One Pill Three Times A Day.

before meals, and should be found in every family residing in miasmatic districts.
To any skeptic or one who does not believe in these marvellous preparations,

A Box Will be sent Free

If he is not cured with one and not more than two boxes, no charge will be made. The price of the Pills is high—say

$2 PER BOX:

but as they are a perfect cure without trouble or inconvenience, the charge is reasonable enough.
Address J. MAGGIEL, M. D., 43 Fulton St.
New York.

CAUTION.

Watch narrowly and guard yourselves vigilantly against counterfeits. I have just suppressed a notorious counterfeit in Wisconsin, after much trouble and expense. Purchase of only first class druggists and never of peddlers or traveling dealers.
